

A DOCPHOENIX

Form PTO-1449

ATTY DOCKET NO. 23-00

SERIAL NO. 09/812,647

FILING DATE: 03/20/01

APPLICANT: Michl et al.

GROUP: 2834

## U.S. PATENT DOCUMENTS

| Examiner Initial | Document Number | Date     | Name         | Class | Subclass | Filing Date if Appropriate |
|------------------|-----------------|----------|--------------|-------|----------|----------------------------|
|                  | 5,876,830       | 03/02/99 | Michl et al. |       |          |                            |
|                  | 5,405,550       | 04/11/95 | Michl et al. |       |          |                            |
|                  |                 |          |              |       |          |                            |
|                  |                 |          |              |       |          |                            |

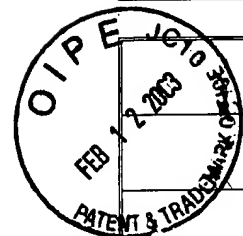

## FOREIGN PATENT DOCUMENTS

|  | Document Number | Date | Country | Class | Subclass | Translation Yes/No |
|--|-----------------|------|---------|-------|----------|--------------------|
|  |                 |      |         |       |          |                    |
|  |                 |      |         |       |          |                    |
|  |                 |      |         |       |          |                    |
